

## St Gabriel's School Show Jumping competition

**Sunday 25<sup>th</sup> April at Sparsholt College near Winchester**

- Open to all pupils with their own ponies.
- I am now taking entries for the above competition.
- We can only enter 2 teams per class - a maximum of 8 riders - so please let me have your entries in asap.
- I will be sending the entries in **next Friday 19<sup>th</sup> March** and cannot add or change entries after this date.
- All classes are £11 per rider per class which will be added to your bill.
- Finally there are no age limits on the classes. All classes are 2 phase.
- I will be team manager for the day and will give you all your times a few days before the competition. Please be realistic when making your entries - this is our first competition of the year and you will have the opportunity to jump bigger courses as the season progresses.
- Do call me if you would like advice on what size classes to enter. This is a lovely competition indoors where we have always done well in recent years!
