29th June 2010

Sun Hats

Dear Parents,

From September 2010, sun hats will be a required part of the school uniform during the summer term and early in the autumn term when the weather conditions necessitate.

The organisers of the School Uniform Shop are currently in the process of sourcing a suitable hat that will offer appropriate protection, to replace the current cap. We will let you know whether these are to be bought from the School Uniform Shop or direct from Perry Uniform.

At present, not all children have sun hats to wear during break and games times: until the uniform style is available pupils are encouraged to bring in their own from home.

David Fleming

Caroline Riley

Headmaster
Brockhurst:
Mr D.J.W Fleming
MA (Oxon), MSc
