

BROCKHURST & MARLSTON HOUSE

Dear Parents,

As advertised in the calendar we will be running our first in a series of ISEB Mock Pre-Tests for pupils sitting the ISEB Pre-Test next academic year. We will hold one mock test this term and a number more next term.

The aim of this specific Mock Pre-Test is to start to familiarise the children with the whole test situation.

The cost of the online test is £49 which will be added to your end of term bill. You may have seen a number of Pre-Tests available online. I have used a number of these tests and the quality very much varies. We chose this specific one because of its similarity to the actual Pre-Test.

Date: Saturday 24th June

Time: drop your child off to the ICT Suite at 9.30am. Pick up will be at 12 midday.

I will run this under the same conditions as the real Pre-Test.

If your child gets extra time in the real Pre-Test they will also have extra time in the practice session.

If you would like to sign up to these sessions please fill out below.

Best wishes,

Mark
