

## BROCKHURST & MARLSTON HOUSE

Dear Parents,

On Monday 12th and Tuesday 13th June our professional photographer will be visiting school to take individual and sibling photos. Sally Grace and her team have visited the school on two previous occasions. I feel she is incredibly talented at capturing lovely photos of the children in a relaxed way. These are not your traditional school photos, as she devotes ample time to ensure each child feels comfortable and at ease during the session.

Sibling photos will be first thing on Monday morning and then she will focus on the youngest children early in the day on Monday and Tuesday and the older children will be in the afternoon.

Please ensure your child arrives at school in Summer uniform on their day.
